§

City Council encourages positive public comment and discussion during its meetings and reserves time during most Council meetings to hear such comments either from Scheduled or Unscheduled visitors. However, the Texas Open Meetings Act places certain constraints on topics raised by such visitors where such discussions are not related to an item that has been placed on the Council's posted Agenda. The most effective way for an individual to have their voice heard and to receive feedback at a City Council Meeting is to call the City Secretary no later than the Monday noon prior to an upcoming Council meeting and request that their name be placed on a future Agenda as a Scheduled visitor. When you make this request, please state specifically the subject you wish to discuss. The City Secretary will place your name on the Agenda along with a specific description of the subject to be discussed. If you fail to provide a specific description of the subject of your requested discussion, then Council will have no choice but to refer the matter to the City staff for response or defer any feedback or discussion on the matter until a future Council Meeting when the subject can be placed on the Agenda. Comments should be limited to five (5) minutes and directed to the entire Council, not individual members. Engaging in verbal attacks or comments intended to insult, abuse, malign or slander any individual shall be cause for termination of speaking privileges and expulsion from Council Chambers.
