

SECURITY DICE

DiceTec Tournament Certification

FOR

2026 Arabian Grand Prix

The DiceTec dice used in this tournament are laser engraved "SECURITY". This mark confirms the dice meet DiceTec standards for fairness, balance, and dimensional accuracy required for competitive backgammon tournament play.

- Dice marked "Security" and branded "DiceTec"
- Precision-balanced with mass-corrected pips
- Ball-corner geometry for unbiased rolling
- Void-free solid acrylic PMMA construction
- Individually inspected and approved
- Factory sealed for your protection

Player Assurance: The "SECURITY" dice are produced to our most exacting specifications and the "SECURITY" engraving guarantees they have passed all manufacturing inspections and approvals.
