

Dear Madawaska Coaches care.

I am writing this letter thanking you about the things you sent to me. I would like to thank you for the 25 dollars and the novel book to read on my spare time. I am very happy here in Zimbabwe. How are you there in Canada. I hope that you are fine. Here in Zimbabwe we are now in winter and it is very cold in the morning and in the ~~evening~~ evening. And we have short days and long nights. I was very happy to meet uncle Berry and the others and we had a good time together.

I would like to thank you for your love and support. Please pass my greetings to your family and friends.

May the lord bless you with a long life and may you be happy.

I love you.

Denzel Yaya.
