

Dear Madawaska Coaches Care.

How are you friends? I am very well with my family. Thank you so much for the beautiful card and the 25 USD that I received. I really appreciate your warm love and care. I am going to use it wisely. How is Canada? Here we are in winter and it is cold. I am praying for you all. Stay safe.
I love you.

May God bless you all.

Prayer Kamupira's mother.
