## March, 2023 Newsletter

Greetings Lake Residents,

Just when we thought winter was fading and Spring was around the corner, Bam!, Mother Nature wields her power, and our world turns white. Never fear, the snow and ice will melt, and warmer temps will follow.

Last Fall we added another batch of walleyes. Please inform the members of the board of your catch, this is the only way we know if our stocking efforts are working. As always, we ask everyone to practice "catch and release", leaving the fish to fight again.

Important long-term decisions regarding our lake will be discussed and decided upon this year. With two board positions available this year, it is important you participate in electing new board members. Your vote counts!

This year we added a new event to our list of Activities. On April 29 at the Neshkoro Community Center we will have a Soup Cookoff. If you bring a pot of soup you are in the running. If you don't bring soup, you will be tasting and voting for the best. Mark your calendars and let us know by April 26 if you will be attending. (See attached flyer).

Enclosed you will find your Association Dues Statement along with the resumes of residents seeking Lake Board positions. Place your completed Ballot (in the envelope marked **BALLOT**) and return in the self addressed, stamped envelope with a postmark of no later than April 15, 2023. Be sure to write your lot number on the bottom of the return envelope for verification.

**Our annual meeting will be held on May 27th  
at 1:00 pm at St. James Church in Neshkoro.**

This meeting will be very informative, especially for our newer owners. Our newly elected board members will be announced at the meeting as well. We encourage new owners to participate in the various lake events listed below. It's a great way to meet your fellow owners.

Sincerely,  
Tom Joseph
