

March 2026 Newsletter

Hello neighbors.

It won't be long until the grass is green, the days are long, and the lake will be calling us out to swim, fish, and cruise... The full-timers will be welcoming back their snowbird friends, and our seasonal families will be here to 'summerize' their lake houses. It's a happy time of year!

2025 was very active for the Lake Association Board. The financial accounting and reporting systems, construction activity documentation, and the association's website were updated. The newly revised Covenants and By-Laws were implemented, which required documentation for noted inconsistencies throughout the community. 2026 should be much quieter!

The Lake Preservation Committee (LPC) managed the invasive weed mapping and monitoring program, weed harvesting operations, chemical nutrient content monitoring in the inlet stream, and dissolved oxygen content monitoring programs (beneath our ice cover). 2025 weed harvesting results were comparable to 2024, with the removal of roughly 30 truckloads of nutrient-rich biomass. The LPC also developed two service providers who will help residents clear shoreline swimming and docking areas of weeds and help restore firm sand lakebeds.

The new Community Events Committee performed spectacularly last year and has prepared an even more spectacular event schedule for 2026. It is time to mark your calendars:

June 6 th	Spring Lakes Rummage Sale
June 20 th	Association Golf Outing at Two Oaks
July 4 th	Boat Parade
August 30 th	Kids Fishing Jamboree
September 12 th	Boat Poker Run and Potluck Dinner
October 24 th	Halloween Trunk-or-Treat
December 5 th	Christmas Dinner Party

Please check the website and your emails throughout the year for updates!

The Spring Association Members Meeting is 9:00 AM, Saturday May 23rd at the Neshkoro Community Center Gymnasium. This year's meeting will feature a "straw polling session", to better understand where we want our community to go from here. In the interim, we need volunteers for two Lake Association Board member positions. If you are curious about what we do, I have posted a Board Member Task List on the association website. Get on the election ballot by emailing your resume letter to info@silverspringsneshkoro.com.

I look forward to seeing everyone at the Association Members Meeting.

Sincerely,

David Lester
Lake Board President
