The meeting began at 1:05 p.m.

Old Business: The 50/50 Raffle winner at the golf outing was Mark Midtbo Lot 126 and he won \$135. The Neshkoro Fire Department was sent \$140 as there was an additional \$5 donation after the drawing. Thank you all who participated! That is an admirable amount for us to contribute.

There were wonderful boats this year and very hard to judge. Congratulations to all who worked so hard in decorating their boats! It was so much fun to watch! Bless you all! The theme for 2027 Boat Parade is "Outer Space"! That has all kinds of possibilities! Enjoy and we hope to see even more boats decorated in 2027! The new start time of 1:00 p.m. was well received. In 2027 we will begin in Mint Bay (every year moving it to the next bay). Trudy will lead and distribute prizes again next year!

Fishing Jamboree (\$500 Budget) **September 6th, 2026**, A **Chairperson is needed to hold this event**. Deb Smith will put out one last plea for someone or a group of people to head up this event. You have until August 1st to come forward and be a hero to all the kids that love this event. You can make it as easy or complex as you want. Your baby! If nobody steps up, this event will be cancelled, which would be a shame. The committee hopes that will not happen. Our committee was not established to chair all the events. We were created to help all committee chairpersons in making their events a success and offering any help they need. **Have name tags!**

Poker Run (\$400 Budget) **September 12th, 2026** Stan-O-Gene park reserved and \$100 fee paid plus a \$50 deposit which will roll over year after year for future Poker Runs with the village. Park has seating for 88 people. Sue to run the 50/50 raffle and distribute prize money. The proceeds will go to the Neshkoro Community Center for their new roof.

Shirley to touch base with Paulette to see if she is getting gift cards again this year for the Christmas Party! Encourage all to bring adult children to event. **Have name tags.**

Steve Manlick suggested we request funding to buy SSL insulated tumblers and other things for gifts as prizes for our events. Paper, pens etc. The committee concurred with doing this. We will see if there is any money left after our events to use for this. We should also invest in a sound system to use at events. Microphone and speaker.

Deb Hoff requested clerical help from our committee with the website for the reference page updates. They need all the references updated and verified for their accuracy. Though this sounds like a necessary requirement to send people to that site, the committee felt this is not an event function. We respectfully decline the offer to help. We have enough on our plates at this time. Thank you.

Meeting adjourned at 2:15 p.m. Our future communication will be via our SSEC text feed for the next month as everyone has something going on. We will meet again in September or October. [Date TBD.](#)

Respectively Submitted,
