for love, for remembrance, forever

2026 Cemetery Improvement Fundraiser

We are so thankful for the many loved ones who have chosen our grounds as their final resting place! In order to help progress the many improvements that need to be made around the Park, we are excited to offer a complimentary name plate in memory of a loved one or family to be placed on our memory plaque near the entrance of the cemetery.

Anyone who makes a gracious donation of \$250 or more will be provided with this service of remembrance at no additional charge! The name plate is 10 inches wide installed.

So far, over the last four years, we've worked on many improvement projects around the cemetery. We have brought in over 900 tons of gravel to re-do the roads, had 25 tree stumps ground out, cut down over 20 of the dying spruce trees, replanted trees & landscaping, built our new community mausoleum, and completed the restoration of the stone wall at the entrance. Next, we are looking forward to planting more new trees, expanding the cemetery to provide more burial and memorialization options, and keep working on our roadways. It is always our goal to continuously improve our grounds in any way.

Please consider donating any amount to better the final resting place of our loved ones!
