

PATHBUILDERS

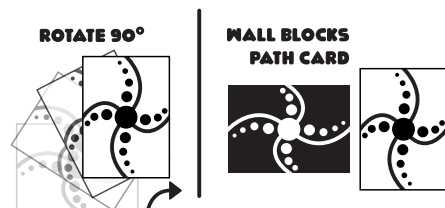

Path Forming Strategy Game

2P **5-15** **Ages 8+**

Pathbuilders is a 2 player strategy game where both players are trying to form a path that leads to their opponent's side before their opponent does.

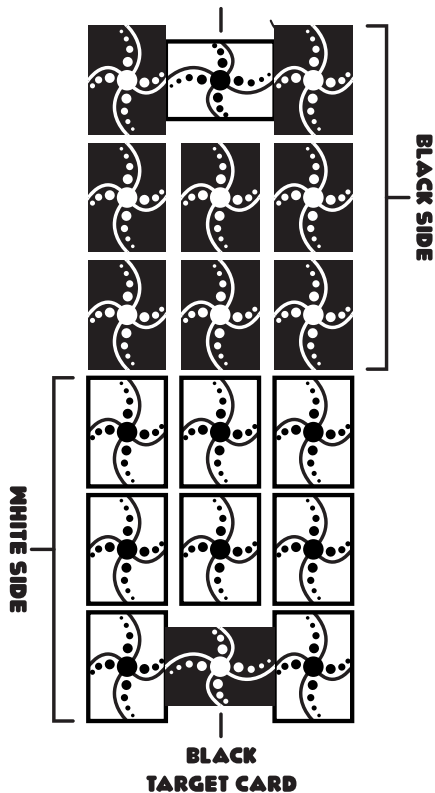

WALL CARDS

SET UP

WHITE TARGET CARD

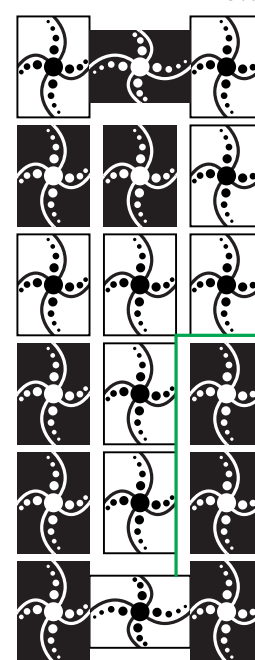

HOW TO WIN

Each player needs to connect to the target card on the opposite side. In order to win, a player needs to build a fully connected path in their color that is connected to the target card on their side to the target card on the opponent's side. If both players have a path that connects both target cards on the same turn, then the game ends in a tie.
