

SUPER HOT POTATO

HI

Hey, you should go over there...

Superheated Frantic-Fun Potato Passing Party Game!

Premise

Okay potato heads, we are here to help guide a crazed potato named Bud the Spud to get where he needs to go. Really though, you're just trying to get Bud as far away from you as fast as you can. After all, with his self-potato-powered-oven-baking device he will make himself and anyone unlucky enough to be around him into some instant mashed potatoes! So make sure you tell him where to go as fast as possible before he finally blows!

Components

- 88 cards with super-baked ways of telling Bud to go away
- 14 Left cards
