

TAKE THAT WEEDS !

You're a weed and you want to grow in the new neighborhood garden. The goal is to plant your seed and grow to full height in three of the six sections of the garden.

You are up against other weeds for resources like water fertilizer and sunlight to grow, while fighting off all kinds of critters, insects, neighborhood kids, extreme weather, the gardener and even a weedwhacker to claim the garden for yourself.

Unique board mechanic to distribute sunshine and water from the sprinkler.

A take that card game with growth tracking charts for up to 6 players.

Components:

- 1 garden board
- 1 sunlight tracker
- 1 sprinkler tracker
- 6 growth tracking boards
- 36 growth unit markers
- 108 cards
