June 2025 MONTHLY OUTREACH NEWSLETTER

June 27, 2025

National PTSD Awareness Day!

On this day, we recognize the effects of post-traumatic stress disorder on those affected by it, including their loved ones.

Even though PTSD treatments work, most people who have PTSD don't get the help they need. **Help us spread the word that effective PTSD treatments are available.** Everyone with PTSD—whether they are Veterans or civilians who experienced sexual assault, serious accidents, natural disasters, or other traumatic events—needs to know that treatments really do work and can lead to a better quality of life.

Save time by filing your CHAMPVA claim Online!

If you're the spouse, widow(er) or child of an eligible Veteran who receives <u>Civilian Health and Medical Program of VA</u> (CHAMPVA) benefits, you can file your claim <u>online</u>. It's quick and easy.

What you need to know before filing your claim

If your provider doesn't file for you, just ask for an itemized billing statement and explanation of benefits (EOB) if you have other health insurance. We'll take care of paying the provider directly for covered services.

If your provider doesn't accept <u>CHAMPVA</u> or you use an out-of-network pharmacy, you'll have to pay up front and file a claim to get reimbursed.

Remember: You have to file your claim within one year of receiving care. If you were in the hospital, make sure to file within one year of your discharge date.

Make sure you have these on hand when you're ready to file online:

- An itemized billing statement from your provider.
- A receipt or a billing statement marked "paid."
- The EOB from your other health insurance, if applicable.
- Documents related to your prescription.

How to file your claim

Once you have all your documents, go to the <u>File a CHAMPVA claim</u> webpage. You will be guided through each step. We recommend signing in with a verified account. If you don't have one yet, no problem. Create a Login.gov or ID.me account, and we'll help you verify your identity. You can also submit your claim without signing in.

Prefer to send in your claim by fax or mail? Send your completed CHAMPVA claim (<u>VA Form 10-7959A</u>) and supporting documents to:

Fax: 303-331-7808

Mail:
