

Volunteering is the selfless act of offering one's time, skills, and energy for the betterment of others in our Lake Havasu community.

The impact of volunteering extends beyond the immediate benefits to the volunteers and those they serve.

Avenues for volunteering with the Cancer Association of Havasu include:

- ◆ Front office and intake for those requesting mammograms and early detection services.
- ◆ Peer to Peer support
- ◆ Community Outreach
- ◆ Marketing
- ◆ Fundraising & Fund Development
