GOVERNING PROVISIONS

ITEM 1 APPLICATION OF TARIFF

(a) This tariff contains individual carrier exceptions to the general application provisions of tariffs published by Tristate Household Goods Tariff Conference, Inc., Agent, revisions thereof and reissues thereto.

▲(b) Provisions listed below will apply on all Transportation Rate Tables naming hourly rates for Class 1 (Item 5) Shipments:

(1) Hourly rates apply only from time of arrival of vehicles and men at first point of origin (continued during all loading, transportation from first point of origin to final destination, and unloading) until completion of unloading and dismissal of vehicles and men by shipper at destination.

(2) Traveling charges cover traveling to first point of origin and traveling from final destination, irrespective of actual time involved in such traveling.

(c) Provisions listed below will apply solely on Class 1 (Item 5) Shipments:

(1) Traveling charges are in addition to hourly rates.

(2) Hourly rates are based on the day or days, or periods of days, as indicated, during which services are performed.

(3) Hourly rates computed in half-hour periods; fractions of one-half hour considered one-half hour.

(4) Carrier will supply and charge for supervisor or supervisors as requested by shipper. Hourly rate for each supervisor will be computed from time of arrival of vehicles and men at first point of origin until completion of unloading and dismissal of vehicles and men at final destination unless other time of arrival or dismissal or supervisor is provided by agreement between shipper and carrier.

▲(d) Provisions formerly contained in this subparagraph and not brought forward are cancelled. No further application.

ITEM 2 SCOPE OF SERVICE OF PARTICIPATING CARRIERS

Exception provisions published in this tariff are limited for each carrier as a party hereto, for the handling of household goods, in use, in Pennsylvania intrastate traffic.
