Welcome to the third edition of the WPA Fast News. This will update you on the progress of all current WPA initiatives.

- The Kitchen Upgrade is now complete! And it is magnificent! Thanks to Ian Ware and David Richardson from the George Town Council for managing the project and Graeme Bowkett for managing the project of behalf of WPA. The kitchen upgrade has been made possible by the generous support of the George Town Council, the Tasmanian Government through the Community Support Levy, the Tasmanian Community Fund and the W.D. Booth Charitable Trust. We are planning an official opening in mid February.
- The BBQ at the river foreshore has now been installed and connected. Use of the BBQ at the Hall playground and the river BBQ is free for residents and visitors. We only ask that you clean the BBQ properly after each use.
- Our next community event will be the Holiday Happy Hour (formerly Casual Cocktails) on Sunday, December 27 commencing at 6:00 pm. Catering will be provided and the event is strictly BYO alcohol. Tickets can be purchased at the door, online at <https://launcestontickets.com.au/event/holiday-happy-hour-2020-12331> or by phoning Lynn on 0438 024 222. Tickets are \$20 per adult. Nibble and snacks for children will provided free of charge.

This year has been both challenging and rewarding for the Weymouth Progress Association. Despite the impact of COVID restrictions during the year, there are a number of achievements of which we are extremely proud.

Environment Sub Committee

Our Environment Sub Committee met for the first time on December 5. This Sub Committee will be responsible for all environmental sustainability issues and environmental maintenance issues and will operate as an advisory body to the Committee and Executive.

Weymouth Website

Our new website is almost complete and should be “live” to members and the public in January 2021. This website will include a secure Members Only portal where members can access copies of all meeting agendas and minutes. We will let you know the website details as soon as we are able to go live.
