

## PREMIER CLASSES AND CAMPS FUN FOR KIDS, GREAT FOR PARENTS

To whom it may concern,

It is my absolute pleasure to recommend Josh Schiering as a candidate for a position with your company. Josh was my supervisor, mentor, and an inspirational leader to me at LINX for five years. I can personally attest to his skills as a manager as I thrived in my time working with Josh, and came to know him as truly someone I look up to.

When I entered my position as a customer service representative, Josh provided me with the guidance, assistance, and encouragement needed to ensure I would be successful and grow at LINX. For example, he gave me freedom and flexibility to look for creative solutions all while providing me with direction to insure success for both myself and our company. His ability to problem solve is second to none. Josh helped me realize how to think outside the box. His attention to detail and innovative encouragement have been instrumental not only leading to my own promotions each year at LINX, but also in making LINX a successful company as a whole.

I grew into a better manager because of the skills I have learned from Josh and I will be forever grateful for having the opportunity to work with him. I have always felt encouraged, supported, and challenged in the work environment Josh has created. He constantly created opportunities for me to grow and presented me with challenges that push me far beyond what I thought was possible. Without a doubt, I confidently recommend Josh to join your team. As a dedicated employee and an all-around great person, I know that he will be an amazing addition to your organization. You will not find a better candidate than Josh Schiering. Please feel free to contact me at 781-249-8951 should you like to discuss my experience working with Josh further. I'd be happy to expand on my recommendation.

Best,
