## Bass

Prepare all material. You may be asked to perform any or all of it.

1. SCALE: Play a G major scale in one octave with separate bows. The scale should be played from memory.
2. ETUDE: The etude below may be played from the music. Focus on steady rhythm and good tone production on all strings.
3. SOLO: Play one minute of a piece you know well, either from memory or from the sheet music. This can be a piece you have learned in class, private lessons, or on your own.
4. SIGHT-READING: There may be a brief sight-reading test from orchestra music that you have not seen before.
