

Taboris Intelligence Asset Group

“A leader is one who knows the way, goes the way and shows the way.”

AT THE FOREFRONT OF MOTIVATION

Want to know why G. Taboris has been sought after for over 20 years by corporate sales professionals?

Taboris Intelligence Training Group was designed to help executive leaders, professionals and millennials take their lives to the next level. Through our trainings and coaching we work with clients to help them achieve goals, overcome obstacles, and direct shifts in their lives. Our holistic approaches focus on performance and developmental growth for professionals.

OUR TRAININGS INCLUDE KEY SKILLS IN:

- Executive Coaching
- Leadership Training
- Personal Development
- Social Media Etiquette
- Lunch-n-Learn Workshops
- Millennial Brainasium
- Distracted Employee Buy-in

Globally, executive coaching is increasingly recognized - both in the public and private sectors - as one of the most effective ways to develop exceptional leaders.

Executive Coaching - 3 Sessions (Call for consultation)

- Expand leadership capabilities, self-awareness and emotional intelligence
- Identify skill gaps
- Become more resilient
- Overcome feelings of stress, being overwhelm, and burned out
- Develop strategies for career growth and advancement
- Increase visibility
- Transform leadership perspectives, performance, and results

Social Media Etiquette - 3 Sessions (Call for consultation)

Understanding how to Navigate the pitfalls and consequences of living in a digital world in order to get along and get ahead to help facilitate that extra edge professionals need for a successful career. What image are you giving to others? Remember the persona you give to others online reflects how others view your business and personal ethics. Social Media Etiquette is paramount in the Virtual World and our training helps you to understand, develop and utilize critical social media responsive methods.

Emotional Intelligence | Smartphone Addiction Call - 2 Sessions

The Internet has revolutionized the way we live and work. With literally all of the world's unfiltered Knowledge at our fingertips, we've subconsciously become unaware of how to cope with Stress or depression. Emotional Intelligence Training was designed to help you master universal natural defenses without the gratification of the Internet | Smartphones.
