

## PRIVATE ACADEMIC & PROFESSIONAL DEVELOPMENT SUPPORT

*Personalized Learning, College & Career Strategy*

### Our Services

#### Academic Support

- Private, one-to-one academic instruction (PreK–College, all core subjects)
- Executive functioning, study strategies, and learning skills
- Support for students with learning differences
- Flexible scheduling aligned with travel, training, and competition calendars

#### Academic Planning & Transitions

- Long-term academic planning and roadmapping
- College and post-secondary readiness (including trades and alternative pathways)
- Support for transfers, online programs, and non-traditional academic trajectories

#### Professional & Life Skills Development

- Time management, accountability, and self-direction
- Written, oral, and professional communication skills
- Support for young adults navigating early careers or post-athletic transitions

#### Family Partnership

- Strategic guidance for parents navigating academic decisions
- Coordination with schools, educators, and relevant specialists as appropriate

#### Our Approach

- Concierge-level, fully customized support
- Absolute discretion and confidentiality
- Long-term partnership model
- Referral-based practice with intentionally limited capacity

### Who We Serve

- Professional athlete families
- High-profile and public-facing families
- Families seeking consistent, trusted, long-term academic support

*A trusted extension of your family's academic and professional support, provided with integrity,  
professionalism, and care.*
