Breaking News

There are still spaces left on my workshop to draw a beautiful Peacock Butterfly. The workshop will run for 2.5-3 hours at Make Space, 3 West Alley, Hitchin on Friday 12-July or 16-Aug or Saturday 14-Sep from 10am-1pm.

I'm so excited.....

I've now also got a very cool Workshop, you will draw a Robin with me over 2 days (2.5-3 hours per day), at the end of the two days I will take your drawing and scan it in and you will have 5 Christmas cards from your design. This workshop will run on Saturday 12-Oct and 09-Nov from 10am-1pm at Make Space, 3 West Alley, Hitchin.

My cards will be in David's Bookshop in Letchworth from next week onwards. They have chosen 8 designs. So pop in and look out for them.....

Little Jasmine was a beautiful miniature pet portrait to draw. Client was very happy and she was one of the designs that was chosen for Davids. So cute.

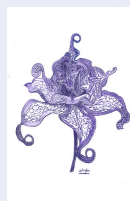

Other projects that I've been working on have been the little Corgi playing with leaves, "Reflections" swan drawing, a cute little Otter and my in-laws parrot Rocky who sadly passed away.

I also drew a Fantasy Fairytale Flower in purple, this was great fun and so freeing to my normal style. A client of mine who purchased two originals sent photos of them framed, I must say they look stunning.....
