Workshop date: Saturday 12 Oct and 09 Nov, 10am-1pm

Location: Make Space, 3 West Alley, Hitchin

What's Included

You will be supplied with all the materials needed to produce an A5 size Robin drawing using lightfast coloured pencils on drafting film.

After the two days I will scan in your Robin drawing and make 5 Christmas cards for you from your drawing that you can then collect after the workshop.

If you require more cards, I can produce those for you at a special discount price of £1.50 each.

If you would like to purchase all the materials to continue your colour pencil journey, that can be arranged at a discount price at the end of the workshop.

Over the workshop I will guide you through how to produce your line art from a photo, how to print it out and mount onto your drafting film, how to position your artwork and think about end result framing. I will then show you coloured pencil techniques and how to produce a beautiful painting which will be ready for you to take away with you and frame at the end of the workshop.

No prior experience required, all levels welcome. Suitable for beginners and for those who have always said "I can't draw", believe me you will be able to after this workshop.
