## SO MUCH WAS UNLOCKED!

Souls were saved (including one of the Camp Copass staff members). Students were delivered from addiction, possession, and oppression. Healing of the mind, body, soul, emotions, and spirit was rampant. Students Unlocked and walked in giftings they had never used before. Friendships were made, mentorships were started, scales were removed., and so much more. Our largest summer camp yet with 110 students, 14 counselors, 14 CIT's, 5 Rec Team, 6 band members, and 8 staff. PRAISE YAHWEH!!!
