WINTER CAMP REGISTRATION IS NOW OPEN

BE INCREDIBLE

FINDING YOUR INNER ESTHER & MORDECAI IN A WORLD OF HAMANS

Messiah Texas Winter Retreat January 15-18, 2021 Camp Copass - Denton, TX

We are so excited to share that registration is now open for Winter Camp 2021. This is going to be an amazing weekend focused on challenging students to BE INCREDIBLE. We live in a world that pushes cookie cutter conformity. Look this way, think this way, dress this way, act this way. We are convinced that Abba wants so much for His children then this. He did not create us to follow the status quo, and be like everyone else, He made us to BE INCREDIBLE.

Testimony Tidbit

Camp is always an exciting time for me! I get to be with friends, worship, play games, and just bask in the joy that comes off of camp as a whole. This camp was similar but so much better. I got to experience physical and spiritual healing, I got to see other people healed and saved, I watched as people were delivered from their burdens and chains, I went up on stage and sang for my King because I didn't care what anyone else thought and it was just me and him. Yahweh revealed to me my purpose and gave me a confidence that is so incredible. Because Messiah Texas is here and listening to what the father wants them to do, other people and myself get to have so many incredible experiences and encounters. I'm so excited for what the future holds for Messiah Texas and you better believe that i will be at every single one.

- Oakley Serrano 15 year old returning Messiah Texas Camper

Club 52

Club 52 is coming...

What is this? Club 52 is an amazing way to support Messiah Texas. This program will launch in September. Get ready to join the club!
