

Doug Graff	Do your recall any JBC city/county grant this year?	10:22:47 AM
	◀ I see utility assistance	10:22:58 AM
	◀ and food	10:23:35 AM
	◀ no after school	10:23:41 AM
James Penni...	Yes. It is technically supposed to be used for that and not after school.	10:25:20 AM
	◀ Its kind of one of those wink wink things in that we kind of get the money to be used for food and utility assistance but the reason we get it is because we help the kids. But they ran out of money to help the kids so they help us in other ways. But yes. needs to be spent on utility assistance and food. Is that clear as mud?	10:28:09 AM
Doug Graff	yep	10:28:28 AM
	◀ Im good	10:28:30 AM
	◀ I see 20 k for JBC under After School and another 28 from United way fund	10:29:00 AM
	◀ for after school as well	10:29:09 AM
