Inbound Call Script – Black & White Classic Floorplans

You:

Hello, this is [Your Name] from 3D Homes. Thank you for calling! How can I help you today?

Client:

Hi, I was looking at your website and I'm interested in the black and white classic floorplans.

You:

Great choice — our Black & White Classic Floorplans are perfect for clean, elegant property presentations. They're especially popular for brochures, listings, and marketing packages.

Are you looking to convert an existing sketch or plan into a classic marketing layout?

Client:

Yes, I have a layout I want to convert.

You:

Perfect. Here's how the process works:

1. You upload your sketch, blueprint, or architectural plan directly on our website at
2. <https://3d-homes.com/order-online-today> and www.3d-homes.com/b&w-classic-floorplans.
3. You can choose whether you want room labels, furniture outlines, dimensions, or any specific notes included Type1 ,Type 2 or Type 3 layout
4. Type 1(No dimensions,no furniture) Type 2(Rooms labels with dimensions)Type 3 (Dimensions+Furniture)
5. Our team will carefully convert your drawing into a clear, black-and-white marketing floorplan — with sharp lines, accurate proportions, and clean formatting.
6. We send you a preview in 1–2 business days for your review, then deliver the final high-resolution image in JPG or PDF.

Would you like help starting your order now?

Client:

Yes, please.

You:

Great. Just go to the *Black & White Classic Floorplans* page on our website select layout and type 1,2 or 3 and click *Order Now*. There you can upload your file, select layout options, and let us know any preferences.

We'll confirm your order by email and keep you updated as we work on it.

Client:

What's the cost?

You:

Our classic black-and-white floorplans start at just [\$XX] per level, depending on the complexity and details you request. All pricing is clearly listed on the page, and you'll receive a full quote before we begin.Also you can get discount on bulk order

Client:

Sounds good.

You:

Wonderful. Could I get your email address to send your order summary and confirmation?
