

Here's an architectural highlight from Graz: the C&P Corporate Headquarters designed by **INNOCAD architecture**—a building known for its striking grid-like facade and design innovation.

Graz – Architecture & Real Estate Leads for Your Outreach

I've identified two standout firms in Graz that align well with 3D floor plan targeting:

1. INNOCAD architecture

- **Type:** Architecture & interior design studio
- **Location:** Grazbachgasse 65a, 8010 Graz, Austria
- **Contact:**
 - **Phone:** +43 316 710 324 - 0
 - **Email:** office@innocad.at ([FOUR Magazine](#), [INNOCAD](#))
- **Why reach out:** Known for award-winning projects like the C&P Corporate Headquarters and the Fractal Chapel, INNOCAD blends design innovation with technical precision—ideal for showcasing your 3D floor planning capabilities. ([INNOCAD](#), [Creative Industries Styria](#), [FOUR Magazine](#))

2. LOVE architecture and urbanism

- **Type:** Architecture, interior, urban planning, and design
 - **Location:** Jakoministraße 3–5 / Top B03, 8010 Graz, Austria
 - **Contact:**

 - **Why reach out:** Founded in Graz, LOVE is rooted in local architecture and urbanism with notable contemporary projects and awards. Their values—precision, passion, and impactful design—align well with high-quality 3D plan integration. ([LOVE](#))
-

Summary Table

Firm Name	City Type	Phone	Email
INNOCAD architecture	Graz Architecture & Design	+43 316 710 324	office@innocad.at
LOVE architecture and urbanism	Graz Architecture & Urbanism	+43 316 810 106	office@love-home.com

Suggested Next Steps

- **In Excel or CSV:** Include company name, City (Graz), contact person “Office/Info,” phone, email, website, and notes like “award-winning architecture firm.”
- **Outreach Templates:** Draft personalized emails for each firm highlighting their standout projects (e.g., Fractal Chapel, C&P Headquarters) and suggest how your 3D floor plans can complement their design workflows.

Let me know if you'd like help expanding to additional Graz firms or drafting specific email templates!
