

Perfect — I'll include **luxury real estate developers** in the Vienna segment along with top-tier agencies and premium architecture firms.

Vienna Focus (Luxury Segment) Will Include:

- * **EHL Immobilien GmbH** – Large-scale residential & commercial
- * **Sotheby's International Realty Austria** – Ultra-high-end properties
- * **Engel & Völkers Vienna** – Luxury apartments, villas, and investments
- * **JP Immobilien** – Prestigious city center projects
- * **Otto Immobilien** – Knight Frank partner for Austria
- * **Marschall Real Estate** – Specializes in luxury homes
- * **Modesta Real Estate** – Premium commercial & mixed-use
- * **Delugan Meissl Associated Architects** – Known for modern high-end designs
- * **LOVE Architecture & Urbanism** – Luxury contemporary projects

How I'll Segment the 50+ Lead File

1. Vienna Metro (25+ contacts)

- * Luxury developers
- * Premium agencies
- * High-end architecture & interior design studios

****2. Graz (8–10 contacts)****

* Real estate brokers + notable architecture firms

****3. Salzburg (6–8 contacts)****

* Agencies in historic + alpine luxury markets

****4. Linz (5–7 contacts)****

* Mid- to high-end developers and architects

****5. Innsbruck (5–7 contacts)****

* Luxury alpine real estate & chalet architecture firms

**Next Steps**

I'll:

1. ****Verify contact details**** (direct emails, phone numbers, decision-maker names where public)
2. Prepare the ****CSV file****

3. Create ****regional outreach copy**** (German + English)
4. Generate ****personalized email drafts**** for each lead

Delivery in \~****3 hours**** in a ZIP file containing:

* `Austria\_3DFloorPlan\_Leads.csv`

* `Regional\_Outreach\_Copies.docx`

* `Personalized\_Emails.xlsx`

Do you also want me to ****include LinkedIn profile links for the marketing managers/decision-makers**** at these companies so you can do both ****email + LinkedIn outreach**** in parallel? That can speed up responses a lot.
