

Scholarship Program

About the Scholarship

House of Mexico is a non-profit organization in San Diego, focused on developing and implementing ongoing programs that serve the community and reflect our mission of sharing, celebrating, educating, and promoting the rich art, culture, and history of Mexico to San Diego and its visitors. As a socially responsible organization, our efforts include supporting members of our community in their educational goals by offering a scholarship to a resident of the San Diego community that embodies the mission of House of Mexico as described above. House of Mexico will award several eligible students with a scholarship in the amount of \$1000.
