Welcome

Judge Profile - Jane Fisher

Firstly I would like to thank the Geraldton Combined Equestrian Club for inviting me to judge your 2024 Horse of the Year. I'm looking forward to a super day, with lots of beautiful horses and ponies and riders enjoying their sport with their beloved equine partner.

I have been showing horses for 35 years, with success at Royal Show and Horse of the years here in WA.

I have owned a number of different horses, all breeds, shapes and sizes, none of them ready made and all with their own unique challenges. Without these horses in my life I wouldn't be the rider or person I am today. I thank each and every one of them for teaching me more than I have taught them.

I've had good days and great days, not so good days and awful days competing, but at the end of the day I love being out there competing and catching up with people who I now call friends because of horses. And the best part- I still get to take my horse home at the end of the day win, lose or draw.

Along with judging I have also been a committee member for a number of years with the EWA Show Horse and Perth Horse and Pony Club. I am currently the Vice President of WA's branch of the Australian Warmblood Horse Association. I like to give back to the sport that has served me so well over the past 35 years.

Good luck to you all and I hope you all enjoy the day.

Jane Fisher
