	door, the weather strip is old and use There is water leaking above the toplaced a piece of Aluminium above The club rooms and canteen sit right the back of the building and with the back door (ground runs down to all Hopefully as the rain ceases the floor Gutters The gutter on the Eastern back end removed as it has no purpose and of Grandstand Remove Old Grandstand from tinish issue - metal on metal leads to rusting Dressage Judges Box Liz reported that the lock on the dresh to still faulty, works sometimes other and a new handle/ lock required. Down Pipes	er bench and is of the opination that the water is coming in from under the flywire sed and could be replaced or an alternate weather strip be attached to door. Op of the flywire door and running down into the frame of door, Dave is unsure why the back door in the past, but he thinks with the volume of rain it's not coped. It on the concrete slab with the runoff water coming from the higher ground all are large amount of rain we have had it has been pooling x up to 6 inches of water and on the northeastern side of canteen with know where to go). Or will stay dry. Of the veranda is blocked near the brick toilets, Ken and Dave suggest the gutter be loesn't need to be there. The dhousing motor bike and Dressage Dragger as it is an eye sore and could be a safe ing. Dessage box is very hard to open and lock, she has tried spraying the lock with lubric mer times it won't lock. Dave suggests the handle/ lock may have been tampered with the safe ing.	has ound at ety ant th	Membe Handyn Carpent Handyn	ers could on nan ter or nan could	do or do or
	Ken has unblocked the down pipe at the back of club rooms on the eastern side, water needs to be directed away from tin wall as it is collecting and rusting wall at the bottom, suggest a piece of plastic PVC pipe be added to down pipe to direct			Membe Handyn	ers could on nan	do or
	Side Window The window on the south side of ve Dave opinion the whole Club sits ve runoff and water pooling, Roof of cl very slight Pitch but still not enough We have to remember that we have put together many years ago and h Thanks to Ken for trimming big tree	area but be aware this could cause a tripping hazard. Franda is nearly falling out, frame/brace needs to be pot riveted back in.
