### OUR SERVICES & CARE

**Dog's Retreat** is a family-owned and operated business where your dog will have hours of personal & group attention. We provide a fun, relaxing & social environment. Dogs are never kenneled during daycare hours and we offer a large outdoor play area.

Watch your four-legged friends on our Webcam as they receive individual play, love and attention from our trained staff. They can be observed when playing inside & out in our fenced play area.

**Dog's Retreat** also offers boarding, which can be customized to meet your dog's personal needs. Sleepover options include crates, private rooms or free roaming areas. **Dog's Retreat** will work with you to provide the necessary boarding conditions.

**Grooming-** While your dog is with us, consider a grooming option. We have a professional groomer onsite to bath, brush, trim nails, and more. Call **518.379.8801** for your dog's grooming appointment.

**Training-** Please contact Teresa Weber @ 518-573-3877
