OUR SERVICES & CARE

Dog's Retreat is a family-owned and operated business where your dog will have hours of personal & group attention. We provide a fun, relaxing & social environment. Dogs are never kenneled during daycare hours and we offer a large outdoor play area.

Watch your four-legged friends on our Webcam as they receive individual play, love and attention from our trained staff. They can be observed when playing inside & out in our fenced play area.

Dog's Retreat also offers boarding, which can be customized to meet your dog's personal needs. Sleepover options include crates, private rooms or free roaming areas. **Dog's Retreat** will work with you to provide the necessary boarding conditions.

Grooming- While your dog is with us, consider a grooming option. We have a professional groomer onsite to bath, brush, trim nails, and more. Call **518.379.8801** for your dog's grooming appointment.

Training- Our dog trainers, Teri Rudolph & Shannon Frame, provide a variety of ongoing obedience classes on site. Call **Shannon** at **518.669.1890** or **Teri** at **518.209.2136** or directly for class schedules and pricing.
