ABOUT NIGHT ON THE TOWN

Night on the Town is an event started ten years ago to benefit The Leukemia & Lymphoma Society (LLS), the world's largest voluntary health agency dedicated to blood cancer. The mission of LLS is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life for patients and their families.

Warriors for a Cause board members, Tony Lubrano & Harry Zapiti, started Night on the Town in honor of Tony's father, Pasquale, who was diagnosed with AML. Given just months to live, through clinical trials and advances in research funded by LLS, Pasquale lived another 15 years. Proceeds from Night on the Town will further support the important research that LLS funds.

To date, Night on the Town has raised over \$1 million for LLS!

The fun-filled evening features samplings of the finest cuisine from top Long Island and New York City restaurants, open bar, dancing and the chance to win fantastic raffle and auction prizes!
