NIGHT ON THE TOWN

BENEFITING THE LEUKEMIA & LYMPHOMA SOCIETY

Thursday, April 23, 2020 from 7:00pm – 11:00pm

ABOUT NIGHT ON THE TOWN

Night on the Town is now a Warriors For A Cause event that benefits The Leukemia & Lymphoma Society (LLS), the world's largest voluntary health agency dedicated to blood cancer. The mission of LLS is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life for patients and their families.

Warriors For A Cause board members, Tony Lubrano & Harry Zapiti, started Night on the Town in honor of Tony's father, Pasquale, who was diagnosed with AML. Given just months to live, Pasquale signed up for every clinical trial he could, and lived another 15 years thanks to advances in research. In order to support the important research that LLS funds, proceeds from Night on the Town will be directed to LLS.

To date, Night On The Town Event has raised over \$1 million for LLS!

The fun-filled evening features samplings of the finest cuisine from top Long Island and New York City restaurants, open bar, dancing and the chance to win fantastic raffle and auction prizes!
