

## King

**Physical:** 30yo Male

**Vocal:** Pop/Rock Tenor (to C5)

King is good looking, talented, charismatic and the biggest rock star in the world today. Sadly though, he has recently found out he is dying.

He has gathered together his best friends for his 30<sup>th</sup> birthday party as he struggles to find a way to tell them his terrible news.

He also has a plan to get his two best friends together (Benny & B), and to make peace with his brother John, as their relationship has been souring for years.

Will he be able to help his loved-ones find happiness in time and prove he really is The King of the World?

## Benny

**Physical:** 30yo Male

**Vocal:** Modern Pop/Swing Baritone

Benny is King's best friend & Manager and loves him like a brother. He is the life of the party, going through women faster than underwear.

He is in a constant battle of wits with B, stemming from them almost getting together thirteen years ago (before she chose someone else).

Although he is always the first to crack a joke when the occasion demands, he is never-the-less an astute businessman and is incredibly protective of King, his health, his career and his legacy.

## Beatrice "B"

**Physical:** 30yo Female

**Vocal:** Pop/Swing/R&B Alto-Metso

B is a beautiful and extremely successful criminal lawyer and is King's other best friend. When they were at school, she was set to get together with Benny, when King unknowingly interfered.

Their brief relationship was enough to instigate the tension with Benny and she has since become totally obsessed with her work.

This, along with a lack of faith in men and a towering intellect, mean that she has all but given up on ever having a lasting relationship.

## Danny

**Physical:** 30yo Male

**Vocal:** Pop Tenor

Danny was the high school sporting hero, with a stream of girlfriends.

Nowadays, he is happily living his life with his partner Doug. He is the only one of the friends truly content with his life and is always the one to ease the tension when an uncomfortable situation arises.

He loves to watch the action unfold and help (meddle) when he feels the need.

Although life has taken him away from his friends, he loves them and makes it his mission to sort out all the shit that happens over the long weekend.
