

Tryout Programs

In our Training, we will evaluate all players according to their level of playing. The evaluation process depends on each player and it will be discussed with your coaches prior and after each day of practice.

Initially each player will be evaluated by a coach, physical condition, game format as well play in scrimmages games. Goalkeepers will also be evaluated by a coach and ranked in the overall process.

Tryout Policy

1. Bring own soccer ball
2. Wear proper cloth and gear/shoes
3. Be respectful and patient
4. Be positive and persistent
5. Goalkeeper bring own gloves

Red Lions FC has the best interest for the Player and the Final decision is taken by the coach, if your player is not offered a place on the team is probably the best for the Player at that time.
