

KAYLA SPIVEY 4EVER SIXTEEN SCHOLARSHIP

Dear Potential Donor,

We are writing to invite you to be part of a meaningful cause that honors a beautiful young life lost far too soon.

Kayla Spivey was a vibrant, kind-hearted, teen whose life was tragically taken by gun and domestic violence at just 16 years of age. She was a joyful presence, a helping hand, and a young leader with a bright future- one who believed in lifting others up and making a difference in the world around her. She had dreams of making a difference- and even in her short time, she was already doing just that.

In her memory, we have established the Kayla Spivey 4ever Sixteen Scholarship- a tribute to her light, her leadership, and resolve to make an impact in this life. This scholarship will be awarded annually to a female student who, like Kayla, is dedicated to making a positive impact in their community.

We are seeking donors who believe in the power of our youth, the importance of education, and urgency of keeping hope and change alive in the face of tragedy. Your gift- no matter the size- will help provide educational opportunities for young leaders and ensure Kayla's legacy continues to inspire change.

We invite you to become a part of this legacy by contributing to the Kayla Spivey 4ever Sixteen Scholarship fund. Your support will not only help a deserving student pursue their education and dreams, but it will also carry Kayla's light into the future- empowering the next generation of change-makers to leader with purpose and heart.

Your gift will help:

- Provide financial support for a high school student pursuing higher education
- Recognize youth leaders making a difference in their communities
- Keep Kayla's memory and values alive through meaningful action

Together, we can ensure that Kayla's story continues as a source of hope, opportunity, and lasting impact.

Join us in turning loss into legacy. Please consider making a contribution today.

With gratitude,
