## **CREDIT AND SECURITY AGREEMENT**

- 1) This Credit and Security Agreement, known as "The Agreement" going forth, is between \_\_\_\_\_, known as "The Customer" going forward, and BRICKS TRANSPORTATION, INC. This agreement is applicable to all trade routes and is subject to credit approval by BRICKS TRANSPORTATION, INC.
- 2) The customer shall remain absolutely responsible and unconditionally liable for all payments due to BRICKS TRANSPORTATION, INC. pursuant to this agreement and guarantees payment of all such amounts if the customer's forwarder, broker, or other agent fails for any reason to make such payments to BRICKS TRANSPORTATION, INC. The customer recognizes that the issuance of any Bill of Lading marked "Prepaid" or "Freight Prepaid" shall not be a representation or acknowledgment by BRICKS TRANSPORTATION, INC. that such freight has, in fact, been paid.
- 3) The credit granted to the Customer, as set forth on the Credit Application, which is made a part of this agreement, may consist of an extension of time in which to pay invoices, or a credit limit, or both. The Customer guarantees payment of all charges when due, pursuant to the credit terms offered. Any overdue amounts are subject to be accessed interest charges in the amount of 2% per month or the highest chargeable amount per applicable statute, whichever is lower. The Customer shall pay BRICKS TRANSPORTATION, INC. all costs and fees it incurs in collecting any amounts owed.
- 4) Credit privileges may be suspended for any failure to comply with this agreement. If the Customer fails to perform any obligation under this agreement or any tariff, bill of lading, or contract with BRICKS TRANSPORTATION, INC., BRICKS TRANSPORTATION, INC. may immediately terminate this agreement without demand or notice, require that all amounts owed become immediately due and payable, refuse to issue or release bills of lading marked "Prepaid" or "Freight Prepaid" even though cargo was booked, foreclose its lien(s) and security interest on any and all cargo BRICKS TRANSPORTATION, INC. possesses, and exercise any other right or remedy deemed necessary, available under law. The Customer acknowledges that they have read and understand BRICKS TRANSPORTATION, INC.'s Bill of Lading Terms and Conditions, a copy of which has been provided to the customer.
- 5) Nothing herein contained shall preclude BRICKS TRANSPORTATION, INC. from exercising absolute discretion to refuse and extend credit or the right, where credit has been extended, to demand and collect payment of all charges prior to a shipment's arrival at a port or airport of arrival or departure. Non-compliance with any provision of this agreement may, in BRICKS TRANSPORTATION, INC.'s sole discretion, result in immediate cancellation of all credit privileges extended under the Credit Application and this Agreement.
- 6) The invalidity or unenforceability of any provision in this agreement shall not affect any provision hereof. This agreement may be executed by telecopy with the same legal effect as if executed in person. All disputes pertaining to this agreement shall be resolved in the U.S. District Court for the Northern District of Illinois, pursuant to Illinois law, except for its conflict of laws principles, and both parties consent to the jurisdiction of that court over them.
- 7) In any litigation, including appellate proceedings arising under this agreement, the prevailing party shall be entitled to the recovery of reasonable attorney's fees and costs.

I, the undersigned \_\_\_\_\_ (Title) of \_\_\_\_\_ (Company Name), hereby agree to and will abide by all terms and conditions set forth in this Agreement.
