

A message from director David Trim

Welcome to the newly designed Arbor Valley USBC Newsletter. This will be a quarterly newsletter and it will comprise itself of more information that the bowlers will need to know. There will be additional links in the newsletter that will take you to websites regarding topics about bowling.

For instance; at the bottom of this page in the lower right corner there are two (2) pictures. One will take you directly to the official Arbor Valley USBC website and the other will take you to the Arbor Valley USBC Facebook group.

We post meaningful items in both locations including but not limited to; Upcoming Events, Honor Scores, League Advertisements, and even more. Please take a look around and if you haven't done so already go ahead and request to join our facebook group.

To the right you will see a box of items you should expect to see in our newsletter. Each one of the topics is a link in itself and will take you to the page of the newsletter of which it resides.

We look forward to making this newsletter a successful means of communication for our members. We want to make sure that our members are well informed in regards to the happenings regarding the association and any changes that the USBC is making as well.

We appreciate everything our members do and without you there wouldn't be a need for us.

Q. What are the charities that the association donates money to each year?

This charity is sponsored by the USBC in partnership with the Susan G. Komen Foundation. The second charity is the BVL which stands for Bowlers to Veterans Link.
