

A message from President Sierra White

Happy New Year!!!

Thank you for taking the time to look at and read the second volume of the 2025/2026 Arbor Valley USBC Newsletter. We had a great response from the first newsletter of this season and hopefully we get an even bigger response from this one.

We had our fall Youth Swap Meet and it was such a hit that some of the area schools are taking it upon themselves to try a version of the swap meet. Thank you for trying to "bowl"ster the youth involvement in our great sport.

We had a great turnout for both of our tournaments so far this year. The Annual Arbor Valley USBC Youth Tournament which was held over 2 days at Whitmore Lanes. We saw a lot of bowlers and WOW they did not disappoint when it came to showing off their skills. The Annual Senior Singles Tournament took on a new look this year by adding multiple divisions. The Senior Division was available to those aged 50-64 years and the Super Senior Division was available to those ages 65+ years. Thank you again for all of those that came out and participated in our tournaments so far this year.

Questions from our members.

Q. What are the charities that the association donates money to each year?

A. We raise money for 2 charities each year. The first is Bowl for the Cure which spends time promoting and fundraising for breast cancer awareness. This charity is sponsored by the USBC in partnership with the Susan G. Komen Foundation. The second charity is the BVL which stands for Bowlers to Veterans Link. This charity raises funds and awareness for our military veterans by helping to fund therapy programs at hospitals, clinics, and community based counseling centers.
