

THE WILLOWS

In Brief

A brief news edition about our beautiful Willowbrook Community!

**Willowbrook is a 55+ Senior, Gated Community
in Garden City, Idaho.**

Note: We have a monthly Willows newsletter that contains monthly events. This monthly newsletter is just for residents as it contains phone numbers and information that is private to our residents. This "Willows In Brief" is provided as information to non-residents

Our Willowbrook Clubhouse is busy all month long with activities every single day. Just take a look at our ever-growing list of activities:

Clubhouse yoga classes, fit & fall proof, hand & foot, community Saturday breakfasts and monthly community dinners (with Bingo), bridge club, pinochle club, pokeno club, dominoes, poker, line dancing, book club, quilt club, caregivers, Friday happy hour, and on and on! In the spring we even have a card making class that's a big hit.

Our residents enjoy water aerobics and socializing around our swimming pool, soaking in our beautiful hot tub, gathering for friendly competition at our putting green, and laughing it up while playing tennis or pickleball on our two courts.

And, for the snowbirds among us, we have a secure, free RV parking area on site.
