Yea Dat Boy-- It's Pure

Put Some Fitty On It

Make It Stretch Longer

Geeks Told Me That They Going Through It

I Told 'Em I'm Getting To It

Ain't Gonna Lie, Dey Blind

They Don't Realize Till They In The Sky

The Drugs Make You Numb

Dey Got Meth All Up In They Lungs

Drugs Turn Them To Bums

*In PM
Make Steal And Even Kill*

When They Ain't Got It, They Become Ill

Come At You Like We Got A Deal

The Dope Change Them, That's What They Families Told Me

They Steal From Their Families, Even When They Can't Afford To Eat

They Say They Nothing, But Some Thieves

The Drugs Make Them Go Against Their Own Beliefs

I Lost My Aunt So I Stopped Selling

Instead Of Saving Money, I Wanna Save Our Community.
