

**Field Sales Agent – EE & BT Products**

**Location:** Field-based (Pre-designated areas)

**Team Structure:** Work as part of a small sales team

Are you confident, people-focused, and ready to grow your career in sales? We're looking for driven Field Sales Agents to join our team and bring EE's award-winning broadband solutions directly to homes in your local area.

**What you'll be doing:**

- Going door-to-door in pre-designated areas to engage with potential customers.
- Presenting and promoting EE's broadband packages in a clear and compelling way.
- Working as part of a small team under the guidance of a Senior Sales Agent and Sales Manager.
- Hitting daily and weekly sales targets with the support of your team.
- Delivering a friendly, professional experience in every interaction.

**What you'll bring:**

- A confident, outgoing personality and strong communication skills.
- Passion for helping people and making sales.
- A positive, can-do attitude and eagerness to learn.
- Previous sales or customer-facing experience (preferred but not essential).
- Full UK driving licence (preferred but not essential depending on territory).

**Why join us?**

- Competitive base salary + uncapped commission.  
Full training and ongoing coaching to build your skills.  
Clear progression opportunities into senior or leadership roles.  
Be part of a fast-growing team representing one of the UK's most trusted broadband providers EE & BT..

If you're motivated, energetic, and ready to start or grow your sales career, we want to hear from you.
