

Senior Field Sales Agent – EE & BT Products

Location: Field-based (Pre-designated areas)

Team Structure: Lead a team of 3 Sales Agents

Are you ready to take the next step in your sales career? We're looking for a Senior Field Sales Agent to lead and inspire a small team of sales professionals as you bring EE's industry-leading broadband solutions directly to your community.

What you'll be doing:

- Leading a team of 3 Field Sales Agents in door-to-door sales across local areas.
- Coaching and motivating your team to meet and exceed daily and weekly targets.
- Engaging directly with potential customers to understand their needs and present the best broadband solutions.
- Working closely with your Sales Manager to report on team performance and share insights from the field.
- Ensuring high standards of professionalism, customer service, and compliance across your team.

What you'll bring:

- Proven success in a field sales or face-to-face sales environment.
- Strong leadership skills and the ability to motivate others.
- Excellent communication, persuasion, and problem-solving skills.
- A goal-driven attitude with a commitment to team success.
- Full UK driving licence (preferred but not essential depending on territory).

Why join us?

- Competitive base salary + uncapped commission.
- Leadership development opportunities.
- Work in a supportive, energetic team environment.
- Be the face of a trusted UK brand delivering game-changing broadband.

If you're a high-performing sales professional ready to step into a leadership role, we want to hear from you.
