

# Coacha Recreational Class Subscription Guide

Follow our coded system for example: on Coacha, you would click on the subscription with T1W & G1S in the title to join the register for Wednesday Trampolining & Saturday Gymnastics for a reception-aged gymnast

\*the ages listed are a guide, some may crossover - you should have agreed a class with the coach after your trial(s)  
If unsure, always check with the coach to book a different day to trial day, or for multi-session/package subscription
