

Installation Instructions

How to Install the GotActionTV app on a Firestick or Cube:

1. Send email to GotActionTv@gmail.com to request Username and Password and select a monthly plan.
2. Click Settings from the home-screen of FireStick
3. Now click Device or MyFireTV (depending upon the device you are using)
4. Next, select Developer Options
 - o If Developer Options is not available perform the following steps
 - In the "My Fire TV" menu, select "About."
 - On the "About" page, select "Fire TV Stick" and push the middle button seven times. When you do this, you'll see a countdown at the bottom telling you when the menu will be unlocked.
 - Hit you back button and you should now see Developer Options
5. If Apps from Unknown Sources is OFF, click it and turn it ON
6. Click Turn On to confirm your intent
7. Go to the home screen of Fire TV / Stick if you are already not there
8. Use your remote to navigate to the Search icon on the menu bar on the top of the screen. You will find the search icon on the far left
9. Now type in 'Downloader' (without the quotes of course) using Alexa or the onscreen keypad (use the remote to navigate to the letters).
10. You should see the app suggestions on the list that shows up as you begin typing. When you see 'Downloader' on the list, select and open it
11. You should now see 'Downloader' appear under 'APPS' section. Go ahead and click it
12. Now click the 'Get' button to download and install the app. You should have the app in no more than a couple of minutes
13. Run the Downloader app on FireStick
14. The home-screen will open with the Home tab preselected on the left. Go to the right and click the URL field
15. You should now see an on-screen keyboard. Enter the following codes to download the GotActionTV App:
(Items in Yellow Should be Downloaded and require the login provided via Email)
 - o 250391 - GotActionTV
16. Click GO when you are ready
17. Click Install button on the bottom right
18. Wait for the app to install.
19. When the App(s) is/are installed, you see the App Installed confirmation on the screen. Go ahead and click Done (we will Open the app later)
20. You must now see the following prompt on the Downloader window. Click Delete to delete the installation file, which is no longer needed.
21. Click open on the GotActionTV apps
22. Enter your username and password
23. Enjoy
