2021 Annual Conference and Business Meeting

October 19, 2021

A Virtual Meeting

The Virginia Council for Affordable and Rural Housing (VCARH) is a state-wide non-profit organization which serves as the Virginias' premier association for participants in the affordable housing industry.

Once again, due to the ongoing Covid-19 pandemic, it is VCARH's primary desire to safeguard the health and well-being of its members and associates. Thus, VCARH will be providing important training and engaging presentations at its **Annual Conference and Business Meeting in a virtual environment.**

While we will certainly miss the opportunity to enjoy the energy of an in-person meeting, we will endeavor to bring you an informative and entertaining experience with professional trainers and housing experts in a safe, comfortable, and affordable environment!

Please register for the conference as soon as possible but no later than October 5th, 2021. The registration form is included with this message or you may register online at www.vcarh.org. Once you register, you will receive a confirmation email, and as we near the date of the event, you will receive the necessary meeting links and passcodes. The HopIN platform offers audio and video features, which you will have to option to turn on or off. It also allows full interaction with the ability to submit questions, raise your hand to vote and participate in surveys; all in real time.

VCARH is extremely excited to host this event and we look forward to seeing you all online!
