

VCARH 2020

Annual Electronic Lease Purchase Form

The annual purchase price for electronic lease is calculated by the number of Affordable Housing Units each Management Company manages in Virginia as seen in chart below. The electronic lease will be E-Mailed to the Company E-Mail Address requested below.

Please enter an order, in the cost set forth below, for the 2020 Virginia Council for Affordable and Rural Housing Electronic LEASE, (revised 03/17). The undersigned understands that the VCARH Association has copyrighted the lease and the required addendums and regulations. The undersigned further agrees not to use the lease or the addendums on any housing project or complex that is not a member in good standing for the current year, including the current payment of dues, of the association. The undersigned represents that the lease and the addendums will only be utilized in accordance with the agreement.
