

TO COMPLETE YOUR REGISTRATION PURCHASE:

IMPORTANT for APPLE PRODUCTS USERS: You will not be able to register using Safari. You must use Google, Firefox or another web browser. To access Google, simply type it into your web browser and a menu will appear to select Google as your web browser. It will only be used for this process. Your Apple product will continue to open in Safari otherwise.

1. Please fill in your name, email and phone number information. This is to allow us to email the registration information to you, and the leader of the event to contact you if necessary.
2. You do not have to check the box that says: “Store my information for faster checkout in the future. By signing up, you may receive exclusive promotions by email.”
3. You do have to answer the “ADDITIONAL QUESTIONS”, (although there is only one question to answer). Please answer either yes or no.
4. Once you answer the Additional Questions section, the “Continue to Payment” box changes from gray to black. Click that box to go to the next screen to enter your payment information.
5. We do not accept Google Pay, Apple Pay or Venmo. The Website platform does not allow us to remove these payment logos. We do accept payment by PayPal or Credit/Debit Card.
6. Once your payment is complete, you will receive an email with your purchase(s) listed, along with the Zoom Link (Join Meeting) next to each purchase. You will receive another email the day of the event and a text reminder one hour prior to the event.
