My 30-Minute Healing Session with You: \$50

When we begin, I will ask you if there is anything you would like me to send healing to. Then, during the healing part of our session, about 15 minutes or so, I will send healing to any areas you mention as well as allow the Spirit of God within me to send healing to any other areas within you that also need healing. Also, during our session, I will write down any impressions or messages I receive for you, including any information I might receive about a past life that may be relevant to you today. During the healing, you will relax and breathe easily with your eyes closed lying back or down so you can receive this transformational energy easily and deeply. After the healing, I will take the last part of our session to share with you what I received. We meet on Zoom, and you are welcome to record our session.

Some Background About Me:

When I send healing energy, it is a combination of Reiki energy (I became a Reiki Master in 1993) and other healing modalities that I have learned over the last 30 years. For example, in 2015, I was the first member of the Circle of Love Spiritualist Church to pass all the difficult requirements for becoming a Commissioned Healer. I also completed the Ordained Ministers Program through the University of Metaphysics in Sedona, AZ, in April, 2020, which included extensive instruction in healing and related metaphysical practices. Then, since the fall of 2023, I have also been a regular participant in weekly classes in Spiritual Psychic Development and the Path of Self Transformation at the Sacred Light Fellowship Church. My intention is to be of service to my clients as a transformational channel for the Holy Spirit.
